11 LEGAL STANDARDS

12 California Insurance Code section 1861.10 states in relevant part:

13 (a) Any person may initiate or intervene in any proceeding permitted or
14 established pursuant to this chapter, challenge any action of the
commissioner under this article and enforce any provision of the article.

15 (b) The commissioner or a court shall award reasonable advocacy and
16 witness fees and expenses to any person who demonstrates that (1) the
person represents the interests of consumers, and (2) that he or she has
17 made a substantial contribution to the adoption of an order, regulation or
decision by the Commissioner or a court.

18 CCR §2662.2 sets out the procedure by which intervenors are deemed eligible to seek
19 compensation.

20 (a) A person or group representing the interests of consumers may
provide to the Public Advisor a request for finding of eligibility to seek
21 compensation. The request shall be verified and may be verified by the
intervenor's or participant's attorney and shall be submitted, at any time, in
22 conjunction with an ongoing proceeding in which the individual or
organization seeks to intervene. The request shall comply with sections
23 2652.1-2652.4 of this subchapter and shall include:

24 (1) a showing by the intervenor or participant that it represents the
interests of consumers, including a description of the previous work
25 of the intervenor or participant; and,

26 (2) in the case of groups representing the interests of consumers,
the request shall include the following as exhibits:
27
28

1 (A) a copy of the group's articles of incorporation,
2 by-laws, or (for groups not organized as
3 corporations) other organizational documents,

4 (B) if the group has members, the approximate
5 number of current members,

6 (C) composition of the group's current Board of
7 Directors - including the name and business
8 address of each director and/or the name and
9 business address of the principals of the group if it is
10 not a corporation,

11 (D) newsletter circulation, if any, along with a
12 representative sample of newsletters and/or any
13 other publications issued by the intervenor in
14 California during the previous twelve (12) months,

15 (E) any annual or year-end report for the prior year,

16 (F) a statement as to whether or not the group has
17 been granted non-profit status under Internal
18 Revenue Code Section 501(c), and

19 (G) in order to allow a determination whether the
20 group actually does represent the interests of
21 consumers, a listing, by general category, of the
22 group's funding sources for the prior twenty-four
23 (24) months and the approximate total percentage
24 of the group's annual budget from each funding
25 category. Each foundation, corporate, business, or
26 government grant shall be separately listed by name
27 of foundation, corporation, business, or government
28 agency and amount of grant. For each individual
who contributed at least five percent of the group's
annual budget, the name of the individual and the
total amount of the annual contribution shall be
separately listed.

The Public Advisor may require additional
information regarding the request at any time, but
not more than twice during any one calendar year
from a given Intervenor or participant.

CCR §2661.1 (j) defines representing the interests of consumers as

follows:

Represents the Interests of Consumers" means that the intervenor
represents the interests of individual insurance consumer[s], or the
intervenor is a group organized for the purpose of consumer protection as
demonstrated by, but is not limited to, a history of representing consumers
in administrative, legislative or judicial proceedings.

1 A party which represents, in whole or in part, any entity regulated by the
2 Commissioner shall not be eligible for compensation. However, nothing in
3 this subsection shall be construed to prohibit any person from intervening
4 or participating if that person is not seeking compensation.

5 CCR §2662.2(b) and (c) set deadlines for CDI's review of requests for finding of
6 eligibility.

7 (b) Within 10 days of receipt of a request for finding of eligibility to
8 seek compensation, the Public Advisor shall review the request for
9 completeness. If the request includes all of the information required by
10 subdivision (a) above, it is complete. If the Public Advisor determines that
11 the request is not complete because it does not include all of the
12 information required by subdivision (a), notice stating the grounds for
13 incompleteness will be given to the person or group who submitted the
14 request within the 10 day period and the request will be rejected.

15 (c) The Commissioner shall rule on the request for a finding of
16 eligibility to seek compensation in writing not later than 15 days from the
17 receipt of a complete request.

21 grounds, the Commissioner hereby finds Consumer Watchdog eligible to seek
22 compensation in Department proceedings pursuant to CIC §1861.02 *et seq.*

23 This Finding of Eligibility is effective immediately.

24 ORDER

25 Consumer Watchdog is hereby deemed eligible to seek compensation from the
26 Department of Insurance for its representation of consumers' interests and its participation in
27 Departmental proceedings pursuant to CIC §1861.10, for a period not to exceed two years from
28 the date of this order.

A finding of eligibility to seek compensation does not ensure compensation and
Consumer Watchdog must comply with all relevant provisions of the California Insurance Code
and the California Code of Regulations in order to submit requests and/or to receive
compensation in specific hearings or proceedings.
